NOTES

25X1

[REDACTED]

CHILE-USSR: The Chilean Army High Command has decided to reject an alleged offer of Soviet military credit [REDACTED] President Allende had already, in effect, foreclosed the deal when he publicly denied on 19 October that any Soviet military credit had been offered. [REDACTED]

25X1

[REDACTED] adequate spare parts would be a problem and [REDACTED] no real saving was involved, but [REDACTED] most importantly some future change in the Chilean Government's political orientation might make the move unwise.
